

# on the table.

Thursday, September 26th

On The Table is an event powered by Vancouver Foundation to encourage community connection. We're inviting people across the province to gather friends, neighbours, co-workers, and family to sit down, share some food, and talk about what matters most to you.

The things people talk about will be collected and shared—giving us an exciting snapshot of what's on people's minds throughout BC right now. It's a fun, meaningful opportunity for people everywhere to meet, gather, and share.

**So what's on your mind? Let's get it on the table.**

#### **Who can host?**

Anyone! Individuals, groups, or organizations.

#### **Where can I host?**

Anywhere. A backyard, home, coffee house, office or workspace.

#### **What should I talk about?**

Anything! Pick any topic that matters to you. Or, let it emerge at the event.

#### **What happens after the conversation?**

Use your conversation to spark creative ideas, find others who share your passion, or pave a new path forward.

#### **How do I share the results of my conversation?**

Share your thoughts and ideas by connecting with us at **#onthetablebc** or by taking the On The Table survey.
